Mr. Albert Rasmussen,
R. F. D. 157,
Roosevelt, Utah.

Dear Sir:

RE: MONTEZ DIST.

Thank you for your letter of June 27 recommending
Mr. Clair Haslem for water commissioner on Montez Creek.

I have not yet been able to make clear the necessity
for appointment of a commissioner on this stream and so
may not do so this season.

Yours very truly,

State Engineer.
